

Dear MCCC Community

On behalf of the Board and Management at MCCC, happy new year.

2012 is shaping up to be a year of significant transition at Maurice Cody. By now you will have seen the early signs of the school's expansion project. And as many of you are aware, in September 2012 Maurice Cody will be implementing Full Day Kindergarten (FDK) for JK and SK students.

We are pleased to inform you that the MCCC Board has formally confirmed its interest to provide a FDK Before and After School Program with the TDSB. Formal confirmation with the TDSB means that MCCC:

- Must provide a FDK Before and After School Program on instructional days;
- Is willing to extend service to non-instructional days (i.e.: PA Days and breaks)

While there are many childcare options the Board and Management are exploring for September 2012 and beyond, you should rest assured that all children enrolled in Kindergarten as of September 2012 will be eligible for before and after school care. MCCC's School-Age program will be unaffected for the 2012-2013 school year. And depending on their feasibility and viability, we will advise of any new programs as these become available.

The TDSB has committed to the following timelines in relation to FDK Before and After School Program registration:

- February 2012: Distribution of surveys to parents as part of Kindergarten registration month. Parents of JK and SK students who require before and after school care must advise the TDSB by filling out the survey.
- March 2012: Collection of survey responses by the TDSB.
- By end of April 2012: MCCC will begin distributing information on FDK Before and After School Program registration, hours of operation and fees.

MCCC Board and Management will continue to keep you apprised of any developments in a timely manner. In the meantime, should you have any questions, please feel free to send us an email at MCCC.FDK@gmail.com

With warm regards,

MCCC Board of Directors &
MCCC Management
